

Pre-K-12 Media Policy and Opt-out Form

Photos and videos are created and shared by Valley Catholic School for educational purposes, community outreach, and the annual Gala. They provide information about Valley Catholic and celebrate our programs, our events and the accomplishments of our students, faculty and staff.

Photos and videos may be featured in Valley Catholic communications materials including school yearbooks, class photos, admissions and other brochures, booklets, posters, newspapers, postcards, ads, and magazines. They may also be included on the school website and social media, which are open public forums.

Enrollment of your child in Valley Catholic School grants the school permission to include your child in campus print and electronic materials.

If there are legal or other reasons why a child should not be included in these materials, it is the responsibility of the parent or guardian to notify Valley Catholic School by completing this form and returning it to the school office.

Please sign, date, and return this form ONLY if you are requesting photos and/or videos of your student(s) NOT be included in school communication materials. Please note that photos of students participating in athletic and fine arts activities, such as competitions and performances, and school programs or events that are open to the public are not covered by this opt-out form. If there are legal or other reasons why your student(s) should not be included in photos of athletics, fine arts, school programs or events, please communicate this in writing to the Valley Catholic School president.
